To - The Secretary to the
Resident for Mysore, Bangalore.

Sir,

Re: Compensation to the dependants of Indian seamen killed by enemy action - ss. - Narayana Ramaswamy - Topass.

I have the honour to state that the above named seaman has been reported missing when the ss."Madoera" was subjected to enemy action. His dependants are therefore entitled to compensation under the War Pensions & Detention Allowances (Indian Seamen etc.) Scheme of His Majesty's Government.

A detailed report regarding the dependants of the seaman including his wife and children under 14 years of age may please be furnished to this office. In this connection, I request you to have the enclosed forms M.P.B.406(I) completed in duplicate by the claimants - wife in the first instance- and forward them to this office together with the observations of the Investigating Officer, on the following points for submission to the Government of India.

i. Names of the dependants and their ages;
ii. Degree of their dependency upon the seaman;
iii. Their means of living and monthly income; and
iv. In case a claim is made on account if informity it should be supported by a certificate signed by a Medical Officer holding the rank of that of the Civil Surgeon in the British Territory.

In this connection, I enclose 2 blank forms of descriptive rolls, and request you to return them duly completed together with two copies of the photo of the claimant duly attested, while returning the M.P.B.Forms and the report. It may please be noted that the mere completion of these descriptive rolls does not entitle the claimant to the pension, which will be decided by the Government of India. This procedure has been adopted to avoid delay, as far as possible, in payment of the pension.

An early compliance is requested. The name and address of next-of-kin are as follows:-
